If you would like to receive text alerts only – sign up for SMS text. Click on next.

The screenshot shows a web form titled "Add Contact Information". On the left, a "Progress" sidebar lists three steps: "Select Type" (active), "Enter Contact Info", and "Activate". The main content area has a "Type" section with four radio button options: "Phone Call", "Phone Call and SMS Text", "SMS Text" (selected), and "Email". Below the options are two buttons: "Cancel" and "Next" (highlighted in yellow).

Enter your mobile phone number (including area code) and select next.

The screenshot shows the same "Add Contact Information" form, now at the "Enter Contact Info" step. The "Type" section is now "Phone" with a checkmark. A text input field contains the number "9405555555". The "Progress" sidebar shows "Select Type" as completed and "Enter Contact Info" as active. Below the input field are three buttons: "Previous", "Cancel", and "Next" (highlighted in yellow).

After you submit the number, you will receive information on how to activate the number to receive text messages. Please follow the directions given to activate your account.

- Step 1: You must call from the phone **you just registered** in order to verify your caller ID.
💡 If your phone service has caller identification blocked, you must first dial *82 to unblock it for this call.

Step 2: Call **(844) 384-2055**

Step 3: When prompted, select option 2.

Step 4: When prompted, enter this activation code **(a 6 digit number on your screen)**.

Step 5: When the call is complete, log back into your account to edit your notification preferences.

Next you will want to edit your interests. For the most part, General and Classroom announcements would be the most preferred communications for you as a community member.

The screenshot shows the 'Interests' settings page. At the top, there is a blue header with the title 'Interests'. Below the header, a light blue box contains the text: 'In addition to Emergency notifications, I would like to receive the following types of announcements:'. Underneath, there is a list of announcement types with checkboxes: 'Attendance (Attendance)' (unchecked), 'General (General Announcements)' (checked), 'Survey (Surveys)' (unchecked), 'Food Service (Food Service)' (unchecked), and 'Classroom (Broadcast used by Teacher Profile)' (checked). Below this list, there is a section for 'Organization' with a warning icon and three options: 'District' (unchecked), 'Henrietta Elementary School' (unchecked), and 'Henrietta High School' (unchecked). There is also an option for 'Henrietta Junior High School' (unchecked). At the bottom of the organization section, there is a 'Language' section with two options: 'English' (selected with a radio button) and 'Español' (unchecked). At the very bottom, there are two buttons: a yellow 'Save' button with a green checkmark and a grey 'Cancel' button with a red X.

You will also want to select the campus(es) that you want to be included with on this section as well. As well as your language preference. And select save.

The Messages tab will keep a 30 day running list of the messages that you receive.

The screenshot shows the 'SchoolMessenger' interface. At the top, there is a blue header with the title 'SchoolMessenger'. Below the header, there are three tabs: 'Messages' (selected), 'Contact Info', and 'My Account'. Below the tabs, there is a light blue box with the text: 'Welcome - Bearcat Fan' and 'Messages from the last 30 days'. Below this, there is a blue box with the text: 'Bearcat Fan'. At the bottom, there is a white box with the text: 'No Messages'.

Under the My Account tab you will be able to change your email address or password as well as permanently delete your account. Make any desired changes and select save once they have been made.
